About Activ8

Activ8 is Sport Northern Ireland’s campaign to challenge children and young people to be active for at least 60 minutes every day.

To be active in sport and physical activity you need the right building blocks to feel confident in doing an activity, these are:

- Agility
- Balance and
- Co-ordination

Learning your ABCs helps you to be active and enhances your ability in sport and physical activity throughout your life which will also keep you fit and healthy. Fundamentals are normally developed as a child so that you can run, jump, throw, catch, pass and kick. This is what we call ‘physical literacy’.
