CONNECTED

A COMMUNITY PLAN

for Armagh City Banbridge & Craigavon Borough

2017-2030

SUMMARY

OUR 2030 VISION

We have a happy, healthy and connected **community**, a vibrant and sustainable **economy** and appealing **places** for living, working and learning.

Community planning is about public, private and voluntary organisations working with communities to improve wellbeing. Council is leading the process, working with 12 statutory partners to enhance quality of life for local people through better joined-up services.

We agreed the priorities in the plan by listening to local people and we will measure our progress as we deliver it. We believe that we can achieve more through working together.

We are excited about bringing our plan to life through real action. Our community plan will be continually evolving and will be revised every four years to ensure we are meeting our outcomes.

OUR PRIORITIES

We have three strategic themes, each with three long-term outcomes. Our nine outcomes set out what we hope to achieve, why we believe it is important and how we know if we are succeeding.

COMMUNITY

Confident Community: Everyone has opportunities to engage in community life and shape decisions - we have a strong sense of community belonging and take pride in our area.

Healthy Community: People are making positive lifestyle choices. They are more resilient and better equipped to cope with life's challenges.

Welcoming Community: Our borough is a safe, respectful and peaceful environment.

ECONOMY

Enterprising Economy: Our borough is a centre of excellence for entrepreneurship, innovation and investment.

Skilled Economy: People are better equipped to take full advantage of the opportunities provided by our dynamic economy.

Tourism Economy: Our borough is the destination of choice for international visitors.

PLACE

Creative Place: Our borough is an inspirational and creative place offering quality, inclusive arts and cultural experiences.

Enhanced Place: Our rich and varied built heritage and natural assets are protected, enhanced and expanded for current and future generations to enjoy.

Revitalised Place: Our distinctive and vibrant urban and rural areas are at the heart of community and economic life.

AT THE HEART OF EVERYTHING WE DO ARE OUR THREE CROSS-CUTTING THEMES:
