Policy Title: Tandragee Public Realm

Brief Description of Policy (please attach copy if available). Please state if it is a new, existing or amended policy.

The Tandragee Public Realm scheme will be in 2 parts and will enhance the streetscape at the junction at Mill Street and Markethill Road as well as "The Mall" on Church Street. The development of Tandragee is guided by Tandragee Development Plan 2016.

The policy for this scheme will include high quality design, natural materials and bespoke details that reflect the town's history, while improving the functionality and accessibility of Tandragee. The physical improvements in this scheme, will contribute to the economic, social and vitality growth of Tandragee

Tandragee Public Realm Scheme is currently being developed and has been subject to a previous public consultation period between December 2020 and January 2021.

After careful consideration of the feedback from this public consultation, designs have been revised and updated. The scheme will go back out for an additional week of public consultation between 5th February and 12th February 2021.

Intended aims/outcomes. What is the policy trying to achieve?

The policy aims to deliver upon some of the relevant themes of the Tandragee Development Plan, with particular emphasis on improving townscape quality

The policy will:

- Construct high quality pavement finishes;
- Provide bespoke lighting, street furniture and decorative features;
- Create an attractive gateway;
- Celebrate the heritage of Tandragee through subtle interventions within the Public Realm;
- Improve pedestrian flow and
- Create a pleasant experience for users and visitors.

Policy Framework

Has the policy been developed in response to statutory requirements, legal advice or on the basis of any other professional advice? Does this affect the discretion available to Council to amend the policy?

N/a

Are there any Section 75 categories which might be expected to benefit from the policy? If so, please outline.

This policy will benefit people within all the section 75 categories through the enhancement of Tandragee's physical environment. The policy/scheme will provide improved access and movement to and within public and pedestrian spaces and will enhance the physical appearance of the town for the benefit of all users.

Given the nature of the policy, those within the 'age', 'persons with a disability' and 'persons with dependants' categories will particularly benefit.

Screening Decision

A: NO IMPACT IDENTIFIED ON ANY CATEGORY – EQIA UNNECESSARY

Please identify reasons for this below

B: MINOR IMPACT IDENTIFIED – EQIA NOT CONSIDERED NECESSARY AS IMPACT CAN BE ELIMINATED OR MITIGATED

Where the impact is likely to be minor, you should consider if the policy can be mitigated or an alternative policy introduced. If so, an EQIA may not be considered necessary. You must indicate the reasons for this decision below, together with details of measures to mitigate the adverse impact or the alternative policy proposed.

Not to be subject to an EQIA with mitigating measures/alternative policies.

The Tandragee Public Realm project aims to improve the physical environment for all its users. It is considered that the scheme will not have an adverse impact on any of the Section 75 groups.

The scheme will benefit all Section 75 groups by enhancing and regenerating the physical environment and improving the general appearance of the area with improved surfaces, directional guidance paving, enhanced access and movement throughout the designated area, leading to potential future regeneration opportunities.

C: MAJOR IMPACT IDENTIFIED – EQIA REQUIRED

If the decision is to conduct an equality impact assessment, please provide details of the reasons.

N/A

Timetabling and Prioritising

If the policy has been screened in for equality impact assessment, please answer the following questions to determine its priority for timetabling the equality impact assessment.

On a scale of 1-3 with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.

Priority criterion	Rating (1-3)
Effect on equality of opportunity and good relations	
Social need	
Effect on people's daily lives	

The total rating score should be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist the council in timetabling its EQIAs.

Is the policy affected by timetables established by other relevant public authorities? If yes, please give details.

N/A

Monitoring

Effective monitoring will help the authority identify any future adverse impact arising from the policy. It is recommended that where a policy has been amended or an alternative policy introduced to mitigate adverse impact, monitoring be undertaken on a broader basis to identify any impact (positive or adverse).

Further information on monitoring is available in the Equality Commission's guidance on monitoring (www.equalityni.org).

Identify how the impact of the policy is to be monitored

Responses to the ongoing consultation will continue to be monitored during subsequent phases of implementation. Furthermore, there will be a commitment to continue to monitor those who access the area through each stage of implementation, and to keep a register of any complaints that may attach to section 75 considerations. Where issues attaching to section 75 grounds are identified then they will be remedied accordingly.

Approval and Authorisation

A copy of the screening form for each policy screened should be signed off by the senior manager responsible for that policy. The screening recommendation should be reported to the relevant Committee/Council when the policy is submitted for approval.
