Policy Title: Corporate Plan: Making it Happen 2018-2023. To view the [Corporate Plan click here](#).

Brief Description of Policy (please attach copy if available). Please state if it is a new, existing or amended policy.

The Community Plan and its vision has shaped our new Corporate Plan. The vision has been adopted by the Council as its Corporate vision and it is to have 'a happy, healthy and connected community, a vibrant and sustainable economy and appealing places for living, working and learning.' The Council will deliver services/activities across four main themes. The first theme focusses on the Council itself: Committed Council. Within this part of our Corporate Plan we outline the importance of ensuring our Council is 'fit for purpose', and that we deliver improved services and become more efficient and effective in everything we do. The remaining three themes are the same themes that shape our Community Plan: Economy, Community and Place and are aligned to the nine long term outcomes. The cross cutting themes of Connectivity, Equality and Sustainability which were developed as part of our Community Plan will also be integral to everything we will deliver within our Corporate Plan.

Intended aims/outcomes. What is the policy trying to achieve?

The Corporate Plan sets out our plans for 2018-2023. It reflects how we as an organisation commit to the long term outcomes identified in our Community Planning Process, as well as the work we will do to ensure we continue to provide high quality services.

Screening Decision

A: NO IMPACT IDENTIFIED ON ANY CATEGORY – EQIA UNNECESSARY

Please identify reasons for this below

B: MINOR IMPACT IDENTIFIED – EQIA NOT CONSIDERED NECESSARY AS IMPACT CAN BE ELIMINATED OR MITIGATED

Where the impact is likely to be minor, you should consider if the policy can be mitigated or an alternative policy introduced. If so, an EQIA may not be considered necessary. You must indicate the reasons for this decision below, together with details of measures to mitigate the adverse impact or the alternative policy proposed.

The Corporate Plan is a high level document which outlines the Council's commitments for the period 2018-2023. It reflects how we as an organisation commit to the long term outcomes identified in our Community Planning Process, as well as the work we will do to ensure we continue to provide high quality services.

It has been developed to meet the needs of a range of stakeholders in the Borough many of whom will fall within the nine section 75 categories. The cross cutting themes of Connectivity, Equality and Sustainability which were developed as part of our Community Plan will also be integral to everything we will deliver within our Corporate Plan.

There are a number of initiatives, plans, strategies and programmes that will have a positive impact on a range of section 75 categories. These include for example events and programmes organised, community and community support plans, Good Relations Strategy. However, it will be important as part of the mitigation to screen all strategies, plans, projects, services detailed in the Council's departmental business plans in order to ensure that the Council's statutory duty to promote equality of opportunity and good relations is fully considered. This will be particularly important where the Council faces budget reductions which may lead to a change in service provision.

C: MAJOR IMPACT IDENTIFIED – EQIA REQUIRED

If the decision is to conduct an equality impact assessment, please provide details of the reasons.

Timetabling and Prioritising

If the policy has been screened in for equality impact assessment, please answer the following questions to determine its priority for timetabling the equality impact assessment.

On a scale of 1-3 with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.

| Priority criterion | Rating (1-3) |
|--|---------------------|
| Effect on equality of opportunity and good relations | |
| Social need | |
| Effect on people's daily lives | |

The total rating score should be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist the council in timetabling its EQIAs.

Is the policy affected by timetables established by other relevant public authorities? If yes, please give details.

Monitoring

Effective monitoring will help the authority identify any future adverse impact arising from the policy. It is recommended that where a policy has been amended or an alternative policy introduced to mitigate adverse impact, monitoring be undertaken on a broader basis to identify any impact (positive or adverse).

Further information on monitoring is available in the Equality Commission's guidance on monitoring (www.equalityni.org).

Identify how the impact of the policy is to be monitored

The Corporate Plan is a high level document which outlines the Council's commitments for the period 2018-2023. There will be a mid-term review and update of the plan. All strategies, plans, projects services detailed in the Council's business plans will be equality screened and subsequently monitored.
