Council are building a new indoor leisure facility (South Lake Leisure Centre, SLLC) located in Central Craigavon with a completion date expected to be around Summer/Autumn 2020. In order for the new facility to deliver the benefits contained within the Outline Business Case (OBC), there is a need for Council to approve an appropriate operating model and ancillary matters.

To be successful, the new operating model must transform service provision, ensuring that Council maximises the benefits to both local taxpayers and customers. - The issue of access to this facility for those who live in Rural Areas is not affected by this decision.
