## **Screening Decision**

### **A: NO IMPACT IDENTIFIED ON ANY CATEGORY – EQIA UNNECESSARY**

Please identify reasons for this below

N/A

### **B: MINOR IMPACT IDENTIFIED – EQIA NOT CONSIDERED NECESSARY AS IMPACT CAN BE ELIMINATED OR MITIGATED**

Where the impact is likely to be minor, you should consider if the policy can be mitigated or an alternative policy introduced. If so, EQIA may not be considered necessary. You must indicate the reasons for this decision below, together with details of measures to mitigate the adverse impact or the alternative policy proposed.

The Council expects the regular and punctual attendance of all employees at work. It recognises that staff occasionally will be absent from work due to sickness absence. As an employer the Council has a duty of care of all its employees and commits itself to promoting good employee health throughout the organisation.

Each employee will be treated fairly, sympathetically and confidentially, all cases of absence in consultation with the employee concerned, having regard to individual circumstances and in accordance with procedures.

All absences are recorded to ensure an accurate record of an individual's absence record. Where confirmed as such, as disabled the related absences will be identified on the individual's absence record. This will permit the Council to fulfil its role under the DDA (1995).

In light of this information mitigating measures are not recommended.

## C: MAJOR IMPACT IDENTIFIED – EQIA REQUIRED

If the decision is to conduct an equality impact assessment, please provide details of the reasons.

### Timetabling and Prioritising

If the policy has been screened in for equality impact assessment, please answer the following questions to determine its priority for timetabling the equality impact assessment.

On a scale of 1-3 with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.

Priority criterion	Rating (1-3)
Effect on equality of opportunity and good relations	
Social need	
Effect on people's daily lives	

The total rating score should be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist the council in timetabling its EQIAs.

Is the policy affected by timetables established by other relevant public authorities? If yes, please give details.

No

### **Monitoring**

Effective monitoring will help the authority identify any future adverse impact arising from the policy. It is recommended that where a policy has been amended or an alternative policy introduced to mitigate adverse impact, monitoring be undertaken on a broader basis to identify any impact (positive or adverse).

Further information on monitoring is available in the Equality Commission's guidance on monitoring

Identify how the impact of the policy is to be monitored

The policy will be reviewed annually or in line with changes to legislation.
