## Monitoring

Effective monitoring will help the authority identify any future adverse impact arising from the policy. It is recommended that where a policy has been amended or an alternative policy introduced to mitigate adverse impact, monitoring be undertaken on a broader basis to identify any impact (positive or adverse).

Further information on monitoring is available in the Equality Commission's guidance on monitoring ([www.equalityni.org](http://www.equalityni.org)).

Identify how the impact of the policy is to be monitored

As this is a new ABC policy it will be reviewed in 6 months.
