Section 75 Northern Ireland Act 1998 – Policy Screening Exercise

Policies have been assessed against the four screening questions and a ranking allocated. For each of the policies detailed below, a more comprehensive ‘screening’ document is available on the Council website or on request. The report includes published screening for the period July 2016 to September 2016.

Policy/Procedure	Policy/Procedure Aims	Ranking/ Screening Decision
<p>New Council Wide Indoor Leisure Centres Memberships Products and Prices</p>	<p>This policy introduces one system of leisure memberships across the 3 legacy areas which allows customers to either choose to be members of one (indoor leisure) centre of their choice or to hold a membership where all (indoor leisure) centres across the entire Council area can be used. The new membership products and prices will be consistent across the three legacy areas.</p> <p>The new membership product and pricing system aims to achieve a fair and transparent approach to indoor leisure centre memberships. Concessionary membership products and price rates will also be in place, consistently across all legacy areas to better assist and encourage those groups of people who are less likely to use the leisure facilities provided by the Council as a result of having less disposable income or as a group who are at risk of poorer health outcomes.</p> <p>The concession membership products are particularly relevant to people with disabilities, their carers, senior citizens and young people. Concession membership products also apply to other persons likely to experience disadvantage (unemployment and being a student) who will be multiple identity from a section 75 viewpoint.</p>	<p>3</p>
