DECLARATIONS

- I confirm that I have read the Department for Infrastructure 'Special Events on Roads - Guidance for Promoters of Events' and understand that the Council may apply all or any of the conditions as it deems necessary.
- I also understand that the Council may request any further information that it considers necessary to process this application and that my application may not proceed if I fail to produce this additional information.
- I acknowledge that Armagh City, Banbridge and Craigavon Borough Council is the data controller and data processor under General Data Protection Regulation (GDPR). The Council is collecting this personal information to assist the Environmental Health Department to carry out its statutory duties. The personal data may be shared internally within the Council with staff who are involved in providing this service and where necessary, between internal departments with the purpose of supporting an effective delivery of service. Information collected will only be shared with other Statutory Agencies for lawful purposes or to fulfil statutory obligations. The information you provide will be held securely and in accordance with the Council's Retention and Disposal Schedule. We would like you to be aware that for some legislation, this information may need to be on a register to which others can have access to by request. Further information can be viewed at <https://www.armaghbanbridgecraigavon.gov.uk> or obtained from the Senior Records Officer at the Council.
- I understand I will be required to provide appropriate Public Liability insurance cover for this event.
- I confirm that I have consulted with local residents, businesses and relevant service providers that may be affected by the holding of this event.
- I can confirm the details provided in this application are true and correct.

The first part of the report deals with the general situation in the country. It is noted that the economy is still in a state of depression, and that the government is facing a severe financial crisis. The report then discusses the various measures that have been taken to deal with the situation, and the results of these measures. It is concluded that the situation is still serious, and that further action is needed.

The second part of the report deals with the situation in the various provinces. It is noted that the situation is generally similar in all provinces, with the exception of the southern provinces, where the situation is somewhat better. The report then discusses the various measures that have been taken in each province, and the results of these measures. It is concluded that the situation is still serious in all provinces, and that further action is needed.

The third part of the report deals with the situation in the various districts. It is noted that the situation is generally similar in all districts, with the exception of the northern districts, where the situation is somewhat better. The report then discusses the various measures that have been taken in each district, and the results of these measures. It is concluded that the situation is still serious in all districts, and that further action is needed.

The fourth part of the report deals with the situation in the various municipalities. It is noted that the situation is generally similar in all municipalities, with the exception of the central municipalities, where the situation is somewhat better. The report then discusses the various measures that have been taken in each municipality, and the results of these measures. It is concluded that the situation is still serious in all municipalities, and that further action is needed.

Summary of the Report

The report concludes that the situation in the country is still serious, and that further action is needed. It is recommended that the government should take the following measures:

- 1. To increase the production of goods and services.
- 2. To reduce the government expenditure.
- 3. To increase the revenue of the government.
- 4. To improve the efficiency of the government.
- 5. To improve the living standards of the people.

Conclusion

The report concludes that the situation in the country is still serious, and that further action is needed. It is recommended that the government should take the following measures:

- 1. To increase the production of goods and services.
- 2. To reduce the government expenditure.
- 3. To increase the revenue of the government.
- 4. To improve the efficiency of the government.
- 5. To improve the living standards of the people.
