... what can I do to mark
this week?

Absolutely everyone can do something to support and celebrate Men's Health Week (MHW) 2016 ...

The focus for Men's Health Week (MHW) this year (*'Men United - for Health and Wellbeing'*) lends itself to a wide range of ways to mark this occasion. The starting point is to ask yourself and/or your organisation the question: *'Are we winning?'* ... If not, then think about joining with other people to do something that will make a positive difference to the health of men and boys throughout the island of Ireland.

However, you don't have to stick rigidly to this particular theme. Anything which promotes the week and encourages men and boys to lead healthier lifestyles, to be more aware of preventable health problems, and to seek early detection and treatment for health difficulties will be very welcome!

In Ireland, there is a MHW poster, postcard, logo, and an image pack which can be used by anyone who wishes to raise awareness of MHW and/or to be associated with it. All of these images are available for free online downloading at: www.mhfi.org/mhw/mhw-image-pack.html There is also a FREE 32 page men's health manual which outlines ten key practical health challenges for men - see www.mhfi.org/mhw/mhw-2016.html for details of how to access it.

These resources are important promotional tools - as one of the key aims of MHW is to let as many people as possible (especially men) know about the week, when it will happen, and how they can get involved.

Hi there,

Just a note to let you know that International Men's Health Week 2016 begins on Monday 13th June and lasts until Sunday 19th June.

During this week, EVERYONE is asked to unite and work together to improve the health and wellbeing of men and boys.

However, the big question is: 'Are we winning?' ... If not, then let's do something positive to make a difference.

Have a great week, and remember to look after both your own health and that of others.

Good Luck!

Affix stamp here

A row of logos at the bottom of the postcard, including the Men's Health Week logo, the HI logo, the FORUM logo, the HSC logo, and the Public Health Agency logo. There is also a QR code on the right side of the row.

Even if you don't have a lot of time, energy or resources to give, there are still some really easy (and FREE) ways that you can show your support ...
