(b) De Minimis Aid Declaration

Financial Assistance awarded under the Rural Business Development Grant Pilot Scheme is classified as De Minimis Aid as set out in European Commission Regulation (EU) No 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid. If you have received other de minimis aid from Government Departments, Intertrade Ireland or Local Councils over the last 3 years this might impact on your eligibility to receive mentoring support.

Where an undertaking is part of a group, linked either though limited companies or individual shareholders, the de minimis limit may apply to some or all of the combined group and not just individual undertakings.

To allow us to determine whether awarding this grant will breach this limit, please complete the table below that details the date and value of any de minimis aid the company has received during your last 3 fiscal (accounting) years. Where the Company is part of a group, please complete the table for all group companies.

Please note that it is your responsibility to check whether the support you have received was classed as 'de minimis' aid. If in doubt, please check with whoever provided you with the support.
