SOCIAL ENTERPRISE SUPPORT

Often known as the third sector, social enterprises are an integral part of the economic and social life of our Borough. They are important employers and provide vital services in our communities.

- This element aims to help the Borough's existing social enterprises to grow.
- Developing your business plan
- Making your social enterprise financially sustainable.
- Human resource management support.
- Validating your business processes.
- Businesses must be based in the Borough, employ less than 50 people and should not be an Invest NI client company.
