

SMALL FLORAL GRANT SCHEME TO IMPROVE YOUR LOCAL ENVIRONMENT

Armagh City, Banbridge and Craigavon Borough Council would like to encourage communities to improve their local environment by planting flowers and shrubs. Council is therefore inviting local constituted Community groups in the Borough to apply for a grant up to a maximum amount of £250.00 to purchase bedding plants and shrubs.

- Council will purchase the bedding plants/shrubs on behalf of the Community group.
- The Community group will arrange collection the plants/shrubs
- The Community group will then plant and tend the plants/shrubs.

Communities will be awarded a small grant by the Council based on evidence of real interest on the part of the Community concerned in making a practical contribution to the improvement of the local area.

Applications will not be considered from the following areas:

- **Villages or Towns who compete in the Ulster in Bloom Competition.**
- **Private companies.**
- **Grounds that are not open to the public 12 months of the year.**

CONDITIONS OF ENTRY

All Council entries will be treated with equity and with the best support, our resources permit.
