Completing the Application Form

Top Tips:

- Select the grant that best fits your project and costs
- Refer to the specific guidance manual for details
- Answer all questions fully and clearly.
- Repeat information if relevant - assessors won't look elsewhere for answers.
- You must clearly detail evidence of financial need
- Assume assessors know nothing about your project.
- You must clearly show why your project or activity is needed.
- It is the responsibility of the applicant to demonstrate clear financial need for funding from Council.
- You also need to explain how your project helps support the council's goals and priorities.
- If a grant has been funded one year, it may not be funded in subsequent years, as it is subject to an independent assessment process each call

Applications must evidence a financial need for Council support.
This means that you must show that your projected costs are greater than your projected income.
The grant funding requested cannot be greater than your expected shortfall in funding.

e.g. Projected cost of the event is £50k
Projected income for the event is £75k
Amount requested from FAP £10k

This would be viewed as unsuccessful as there is not clear evidence of financial need as the projected income is greater than the cost of the event.

Grant Requirements

1. Applicants **must** demonstrate in the application form that this event is 'of significance across and beyond the ABC Borough'.
2. Applicants **must** demonstrate the economic benefit your event will bring to the Borough in terms of visitor spend, bed nights, benefit to local business.
3. Applicants **must** upload an Event Plan and Marketing Plan with their application. If these documents are not uploaded at application stage this will result in the application being deemed ineligible.
4. Applications for drama productions should apply to the Arts Project Fund.
5. **Please note:** if your event involves closing one or more roads, a recent change in the legislation means you must apply to Council for a road closure, which will incur additional cost. For more details, please contact Council's Environmental Health service on 0300 0300 900.

How we will assess your application

Your application will be reviewed by Council officers using a standard process. It can be unsuccessful if it does not meet the rules or does not achieve the pass mark. The assessment process includes:

Stage 1 – Eligibility Checks

- To ensure your organisation is eligible.
- To check that your project fits the specific grant programme.
- To confirm all required documents are uploaded.

Stage 2 – Scoring & Awards

If your application passes the eligibility checks, it proceeds to scoring. Applications are scored based on criteria for that specific grant. Funding is awarded based on your score:

- Score 70% or above = Awarded get 100% of the eligible costs you applied for.
- Score 50% to 69% = Awarded get that percentage of the eligible costs (e.g., 60% score means 60% of your requested amount).
- Score below 50% = Application will be unsuccessful and no funding will be awarded.

If there are more eligible applications than the budget can cover, all successful grants may be reduced by the same percentage to fit the budget.
